Important Travel Information

Arriving by Train

Please be aware that industrial action is planned for May 13th which may impact your journey to the Museum if travelling by train. We would strongly advise you to check National Rail service information before travelling. The heritage buses will still be operating a free shuttle service from Swanwick Station to the Museum.

Arriving by Car

The Museum is serviced by Junction 9 of the M27 and Junction 8. Roadworks are scheduled for Junction 8 that are likely to cause delays and disruption for visitors between May 12th and 15th. We would advise anyone driving to the Museum to check the traffic map and leave extra time for your journey.

Overnight Parking

Given the exceptional circumstances, we are very happy for visitors wishing to drive to the Museum and take public transport home to leave their vehicles in our car park overnight. Please be advised that the gates of the Museum will be locked from 6pm on Saturday May 13th. You will be able to collect your vehicle between 10am and 3pm on Sunday May 14th. The Museum and gates will be closed on Monday 15th May. Vehicles are parked entirely at your own risk.

Buses

First Bus number X4 and X5 run past the bottom of Swanwick Lane. Alight at Harper's steakhouse (The Navigator) if travelling east or Swanwick Marina going west. More details about buses can be found on the First Bus website.

Beer Tokens and the raffle

Half pint beer tokens will be for sale and we prefer card payment.

Raffle tickets are also for sale and this year the star prizes are:

- Red Funnel day return tickets to the Isle of Wight
- Tickets to Paulton's Park
- Tickets Beaulieu and other museums
- A flight in a classic plane
- A Saints pennant signed by all the players
- And a selection of beers and other drinks

Raffle tickets can be bought using cash or card.

Souvenir Glasses and Programme

We are keeping the design of this year's Souvenir Beer Glasses under wraps but we cannot wait to share them with you when you arrive. Every visitor receives our unique 2023 beer glass and our souvenir programme. If that wasn't enough, the Museum's

engine will be in steam until 3pm - please enjoy the last surviving steam-powered brickmaking machine of Victorian England whilst enjoying your beer.

Coming Up at The Brickworks Museum

Family Day and Fun Dog Show

28th May

Save the date for our May Museum in Steam event which features our fun dog show. One of the highlights of the year, watch as seemingly hundreds of pups show off their best tricks, waggiest tails and loudest woofs – every single one of them is a good boy or girl.
